All swimmers must know their event, heat and lane number before entering the self-marshalling area. There will be a copy of the program outside this area so they can check their details.

If there is a query, the swimmer may ask for assistance at the help desk.

It is the responsibility of the swimmers, coaches, team managers and/or parents to make sure the swimmers are in the self-marshalling area at the appropriate time.

If a swimmer misses a race, they should immediately go to the help desk where they will be placed into the last heat, if possible.

Please note:

- The start times for each event in the program/time line are a guide only.
- Writing the event, heat and lane number clearly on the swimmer's arm or leg can be helpful. It could also be helpful to mark in the program when they need to leave their club's area to be in marshalling at the correct time.

Swimmers aged 7 years and under will be permitted to have either a Team Manager or senior swimmer accompany these swimmers to the starting platforms.

The event board will be updated to indicate which event should be in the self-marshalling area.

The announcer will advise which events should be in the self-marshalling area.

The announcer will announce the event and heat currently in the water.

It is requested that swimmers assemble at the self-marshalling area:

5 heats prior for **50m** events

4 heats prior for **100m** events

3 heats prior for **200m** events.

A check starter will prompt the swimmers to leave the marshalling area and enter pool deck.

Check starters will be on pool deck to assist swimmers behind the starting blocks.
