

## Dive into history at the first fully inclusive Relay Championship of its kind!

### Multi Class Inclusion in Relays!

Each Multi Class swimmer on a team earns a time reduction, based on average differences between Multi Class and able bodied swimmers of the same age in the Wide Bay region.

### Mixed Club Teams

We know not every club can always fill a whole relay team, and that shouldn't stop swimmers from joining the fun! If you'd like to take part but don't have a complete team, let us know. We'll help connect clubs and swimmers and form mixed Swimming Wide Bay teams so everyone has the chance to get involved and race.
