

Dive into history at the first fully inclusive Relay Championship of its kind!

Multi Class Inclusion in Relays!

Each Multi Class swimmer on a team earns a time reduction, based on average differences between Multi Class and able bodied swimmers of the same age in the Wide Bay region.

Mixed Club Teams

We know not every club can always fill a whole relay team, and that shouldn't stop swimmers from joining the fun! If you'd like to take part but don't have a complete team, let us know. We'll help connect clubs and swimmers and form mixed Swimming Wide Bay teams so everyone has the chance to get involved and race.
